Appointments

Please call 02 6674 3266 for an appointment or book online through our website. If you have more than 2 concerns, please make an extended appointment to allow for this. Please advise if you require an interpreter.

If it is necessary to speak with your doctor outside of a normal consultation, please leave a message with reception and your doctor will endeavour to respond to your enquiry at the end of the session.

A small number of appointments are reserved each day for walk in and urgent appointments.

Repeat Prescriptions/Referrals/Forms

Appointments are required for all prescriptions, referrals and forms to be completed.

Results

Patients are responsible for making a follow up appointment after having a blood test, x-ray or other tests. If the doctor does require seeing you following a test, one of the receptionists will call and advise you to make a follow up appointment in a time frame specified by the doctor. You will be advised of any urgent result by phone.

Reminders

Reminders can be sent for cervical screenings, repeat tests, health assessments and other preventative health services. Please advise your doctor if you do not wish to receive these.

House Calls

Depending on the circumstance and the doctor availability, a home visit may be organised for existing patients who are unable to attend the practice.

Privacy Policy

Your medical record is a confidential document. It is the policy of this practice to maintain security of your personal health information at all times, and to ensure that this information is only available to authorised staff members. All doctors and staff appreciate and respect the need for total confidentiality within the practice. We are all trained and are aware of the rules and regulations within the "Australian Privacy Principles (APPs) February 2014". We take very seriously any breach of these regulations. Full privacy policy available upon request.

If you require access or a copy of your medical notes, please submit a written request to the practice.

Cancellation & Non-Attendance Policy

We understand unplanned issues can arise and you may need to cancel an appointment. Should this occur, appointments need to be cancelled 1 hour prior to the scheduled appointment time. If you fail to attend an appointment or give 1 hours' notice a fee of \$50.00 will be charged by your doctor, no Medicare rebate applies to this fee. All fees must be paid before another appointment can be scheduled.

Email and Electronic Communication

Email should only be used for non-clinical matters, consultation and advice cannot be provided via email unless under exceptional circumstances. Where email is necessary for sharing confidential information, there are specific requirements in place. Please note that the email account is checked infrequently throughout business hours only and are responded to within a reasonable time frame.

Our practice uses SMS messaging to remind patients of their upcoming appointments and/or to contact the practice for results and recalls.

Medical Education

Kingscliff Beach Medical is proud to be an accredited teaching practice for both GP registrars and medical students.
